

RAHUL YADAV

Frontend Developer | React · JavaScript · Micro-Frontends

Pune, Maharashtra, India | rahulyadavaudi06@gmail.com

[LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Frontend Developer with **5 years** of experience building responsive, high-performance web applications with **React** and **JavaScript**. Currently delivering features on a **single-spa micro-frontend** platform for a leading US insurer, spanning UI, **Adobe Analytics** instrumentation, **Jest** testing and CI/CD. Previously optimised a large e-commerce platform at Wipro. Focused on reusable components, performance and owning features through to production.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), HTML5, CSS3

Frontend: React, Redux, single-spa (Micro-Frontends), Material-UI, Tailwind CSS, shadcn/ui, Radix UI

Backend & Data: Node.js, Express.js, MongoDB, RESTful APIs

Testing & Analytics: Jest, ESLint, SonarQube, Adobe Analytics, Adobe Launch

Tools & DevOps: Git, GitHub, npm, Vite, Jenkins, Vercel, Netlify, Postman, Figma

PROFESSIONAL EXPERIENCE

Virtusa — UI Developer

Jul 2026 – Present

Client: Leading US insurance company · Customer policy-servicing platform

- Develop and maintain **React** features across multiple **single-spa micro-frontends** (policy management, protection details, documents) built on the client's shared component library and design system.
- Built policy-change features including **LLC/Trust member management**, a **fortified-roof (IBHS) discount** flow and **state-specific coverage rules** for a new-state rollout, working with backend, UX and product owners.
- Implemented **Adobe Analytics** tracking through **Adobe Launch** rules (page-load and click events, props/eVars) and validated data across environments.
- Wrote **Jest** unit tests to meet coverage and **SonarQube** quality gates, and shipped **feature-toggled** releases through **Jenkins** CI/CD across INT, UAT and Staging.
- Root-caused production UI defects, including a layout regression traced to a shared component-library upgrade.

Wipro — Frontend Developer

Nov 2021 – Jun 2026

E-commerce platform

- Built reusable **React** components, cutting UI development time by **20%** and keeping the interface consistent.
- Improved performance with **lazy loading**, **code splitting** and image optimisation, reducing page load time by **40%**.
- Partnered with UX and backend teams to ship UI enhancements that increased user engagement by **25%**.
- Integrated product data through **RESTful APIs** for real-time catalogue updates; built custom **Material-UI** themes and ensured cross-browser compatibility.
- Mentored junior developers through **code reviews** and knowledge-sharing sessions within an **Agile** team.

PROJECTS

SnippetVault | React, Vite, Tailwind CSS, Google Drive API, Vercel

2026

- Personal tool that syncs files and code snippets between machines via **Google Drive**, with an **OAuth 2.0 authorization-code flow** on serverless edge routes and encrypted HttpOnly refresh-token cookies.
- Added **resumable chunked uploads** for large files, client-side folder zipping and in-browser archive browsing with JSZip.

Blogging Platform | MERN | [GitHub](#) | [Live](#)

Apr 2024

- Full-stack blogging platform with user profiles, a dashboard for **publishing, drafts and post analytics**, and likes with **nested replies**.
- Built a **real-time notification** system for user interactions and secure account settings, including password updates.

Booking Platform | MERN | [GitHub](#) | [Live](#)

Oct 2023

- Airbnb-style booking app with **JWT** authentication and authorisation, listing search and detail views, and an **admin panel** for managing users and listings.

CERTIFICATIONS & CONTRIBUTIONS

- Namaste React** – React certification (2024)
- HTML, CSS, and JavaScript for Web Developers** – Coursera (2024)
- Contributor to **MDN Web Docs**: improved the "[Comparing dates and strings](#)" section of the JavaScript reference.

EDUCATION

Bachelor of Engineering (B.E.), Computer Science and Engineering

2021

AISSMS College of Engineering, Pune · CGPA: 7.4/10
